## Book Details:

*Review: The author uses a popular documentary style, switching between current events/recent history, myths and stories, and the real meat of the book – the history of ancient Sumeria and the Babylonians who followed them. Id been searching for just such a book for quite a while. He makes a special effort to recreate a vivid sense of what life was like...*

*Description: Civilization was born eight thousand years ago, between the floodplains of the Tigris and Euphrates rivers, when migrants from the surrounding mountains and deserts began to create increasingly sophisticated urban societies. In the cities that they built, half of human history took place.In Babylon, Paul Kriwaczek tells the story of Mesopotamia from...*
